

True Biblical Israelites vs Jews

True Israelites are the people formed from the many millions of physical descendants of Jacob/Israel now living in and scattered throughout all the Nations of the globe. True Israelites are also those that have accepted the Covenant of Deut. 5:2-22, and believe in Yahwism, the belief of the ancient tribes of Biblical Israel. Biblical Israel was formed as a Nation (a National Identity) under Moses through a Covenant with [YHWH](#) their Almighty Sovereign Creator Ever-Living Life-Force Power and because of it became “True” Israelites. Israelites are not Jews or Jewish and their religion has never been Judaism. Israelites are traditional Historical people and many are actual descendants of the first ancient Israelite tribes of the Hebrew Bible. Their ancestors (the 10.5 Lost Tribes of Israel) were the Biblical Israelites (of the ancient Northern Kingdom) who were exiled from Palestine into Assyria about 745-721 BCE under King Shalmaneser V because of sin, and many of these Israelites lost their “Covenant” identity. These people eventually become a large population while dwelling in Assyria and subsequently migrated over the Caucasus (the Caucasian Mountains) and into Western Europe. These Israelites subsequently became and formed the people of the great Western European, Scandinavian, and British Caucasian Nations. Many even today can be identified by their family Crests or flags, and by the National Crests of the various European Nations, that were founded by them, see: [Heraldry of the Tribes](#). Many however have lost their “True” identity as Israelites.

After the Northern Tribes of Israel were deported, the Southern tribes of Israel known at the time as the Kingdom of Yahud, or the Yahudim (of the 2.5 remaining tribes of Israel) were also exiled from the area of Palestine some 143 years after the Northern tribes. The Southern Kingdom of Yahud was deported about 587 BCE by King Nebuchadnezzar into Babylon, also for their sinfulness. These deported Yahudim were permitted to return to Palestine by the King Cyrus in 537 BCE. However, their ancient land had become occupied and adulterated by Edomite tribes from the South-East and many other non-Israelite people groups while they were exiled. Many of these returned Yahudim also eventually migrated into the Western European Nations joining and combining with the other 10.5 tribes of the ancient Northern Kingdom of Israel several hundred years after returning to the land from Babylon. This migration of Israel throughout the globe was completed just before 70 CE when the 2nd Temple and Jerusalem was completely destroyed by Rome. The Israelites that left before the destruction believed in the words of the Prophet Yahshua (Jesus) as was recorded in Matt. 24. Yahshua prophesied that Jerusalem and the Temple would be destroyed because of wickedness in the land. In time, the two branches of Israelite people, the Northern tribes known as Israel and the Southern tribes of Israel known as the Yahudim, would again become one dispersed nation of Israelite brothers dwelling among all the nations of the globe. They would then again complete the 12 tribes of Israel but remaining dispersed. They are now known as the lost tribes of Israel. Even though an “Israelite” is a blood relative of one of the ancient tribes, an Israelite is not a “True” Israelite unless he/she becomes a keeper of the original Covenant that ancient Israel made with YHWH, see Deut. 5:2-22.

As a whole, the 12 tribes of Israel who form the modern Israelites (which includes the Yahudim) have never returned to the area of Palestine from their exile because Israel as a people group has far out-grown the ‘Holy Land’ several thousand years ago. The Israelites can never again return to the Middle East land called Palestine, because they have become such a huge population of people. Physically the area of Palestine would be unable to support the vast number of people who are now descendents from the original Biblical Israelites.

Of the estimated five to six million ancient Israelite tribal people that were throughout history exiled from Palestine, in 721, in 587 BCE, and prior to 70 CE, less than 49,000 ever returned to the ancient land. The few that did return were as prophesied in order to begin the re-building of the 2nd Temple and the city of Jerusalem (for that time). This process began about 537 BCE. From this small group of returned exiled Israelites, Yahshua the First Century Prophet to Israel (also known as Jesus) was eventually born. Yahshua was a promised Messiah, a kinsman deliverer for First Century Israel as was witnessed by his brothers, and as recorded in the Greek Synoptic Gospels. Christianity began soon after this Messiah's death and quickly developed into a false religion about the Prophet, rather than about what the Prophet taught from the Hebrew Bible. Yahshua (Jesus) however, was always a "Yahwist," a True Israelite, a believer in the Hebrew Bible and in the Almighty Sovereign Power Creator of the Hebrew Bible named YHWH. Yahshua himself always taught "Yahwism" the belief of Ancient True Israelites using only the Hebrew Bible.

It is important to understand, that '[Yahwism](#)' (also known as Israelism) is the only religion and belief of all "True" Biblical Israelites. True Israelites do not adhere to the religion called Judaism. Judaism is to all True Israelites a false religion. The religion of Judaism is founded upon Pharisaism which is in turn founded upon Talmudism. Talmudism developed from man-made traditions. Pharisaism began its development while the Yahudim (of the southern tribes of Israel) were dwelling in Babylon. Over time their sages mixed the ancient Biblical Yahwism (Israelism) belief with the writings of the Babylonian Talmud and with unfounded traditions and various adopted pagan opinions. The Talmud itself is a hum-bo-jumbo written mixture of opinions and pagan (non-scriptural) statutes, rules and regulations developed over the years by the sages. Judaism also includes the Kabala, which is basically mysticism, and also full of the traditions and opinions developed by men. Modern Judaism is a continuation of this ancient Babylonian religion of Pharisaism which was condemned by the Prophet Yahshua. In its present form Judaism is a religion organized about 1,000 CE, and is traced to Rabbenu Gershon of Mainz Germany (the founder of modern Judaism) through the publishing of his halachic creativity (creative interpretation of Old Covenant laws). This is also confirmed by the Jewish Jerusalem Post. Judaism as a modern religious worship system has very little to do with the Hebrew Bible, and what is taught in it.

Judaism is not the system of worship practiced by the ancient "True" Israelites (of the Northern Kingdom) prior to their captivity by Assyria because of sin or the Yahudim (of the southern Kingdom) prior to their captivity by Babylon because of sin. It is not the religious system of worship which was practiced before the division of the Kingdoms of Israel for their sinning against YHWH. It is also not the system of Worship practiced by the returned Israelites in the 40 years before the "Christian" era. National Israel, as established by Moses was originally a people under Covenant to YHWH alone, Deut. 5:2-22, and because if it they were known as Yahwists. These ancient Israelites were the original believers in, and followers of, the Hebrew Almighty Sovereign Creator Power of all that exists, named YHWH before their captivity because of sin.

During the life of Yahshua the Messiah, many of the Israelites of the First Century also developed into a corrupted 'ritualistic' system of animal (and food) sacrifices. The sacrificial system was completely destroyed through the destruction of the city of Jerusalem and the 2nd temple by the Roman military in 70 CE. This was as prophesied by the prophet Yahshua Messiah in Matt. 24. The Roman Army was used to destroy this corrupt system through the figurative

‘Second Coming’ of the Messiah Yahshua. This figurative ‘Second Coming’ was for judgment on the city and on the un-believing Yahudim and those other nationalities remaining in the city including the Edomites and the corrupted 2nd Temple used by the Edomites. The prophecy of Yahshua (about his figurative Second Coming) and the ‘then coming’ destruction of the Temple and Jerusalem began a minor and final Diaspora (scattering) of Israelites into Europe. The True Israelites all left the city before its complete destruction. This destruction was known as the (end of the world) but it was actually talking about the destruction of the cultic Temple religious worship system. The exodus of believing Israelites occurred during the period 32-68 CE, just before the complete destruction of the corrupt religious cultic Temple system of worship in 70 CE by the Roman Army. Yahwism was always the religion of believing ‘True Israelites’ and the Yahudi (residents) of Jerusalem. Those who did not listen or heed to the prophecy of the Messiah's warning of the coming destruction under Rome were not saved. Most died in the city through starvation; were killed by the Roman army; sold to Egypt, or taken to Rome for various Roman ‘sporting activities’ after their conquest.

The people in the present State called Israel, i.e. the Israeli-Israelis, Zionist Jews, and all those who call themselves Jews; who practice the religion called Judaism are not the ‘Israelites of the Hebrew Bible’ and most are not descendants of Jacob/Israel. They are not a Semitic people. Many modern Jews are a people of Turkish-Khazar-Ashkenazi-Gomer-Japhetic descent (Gen. 10:1-4). This is why many Jews (about 90%) call themselves Ashkenazi Jews. Many other Jews are called Jews simply because they practice the religion called Judaism. Israelites however are the people that formed the Western European, Scandinavian, and British Caucasian Nations. They are also found among the many Caucasian people of the globe. They are still known as the lost tribes of Israel because they are no longer a unified Nation with specific borders. Some of these Israelites are also known as Christians, following (in error) the teachings of the false apostle and Pharisee Saul/Paul rather than applying the teachings of the Messiah Yahshua who was the First Century prophet sent to save Israel from destruction under Rome.

True Israelites are never called Jews, and have never been Jewish. True Israelites never practiced the cultic religious system of the Jews. True blood Israelites are always of the Caucasian white Semitic Adamic race. There are no passages in the Ancient Hebrew Bible or in the Greek synoptic Gospels that predict or support the creation of the Modern Jewish State of Israel, or the re-building of a new ‘Third’ Temple. The Roman destroyed Temple was the final physical Temple. In fact, the present Modern Jewish State of Israel is not in the Hebrew Bible at all, and has no part in any present or future ‘coming Prophecy’ (contrary to the popular belief of many ignorant Christians). The Almighty Sovereign Creator Power "YHWH Alueim" (YHWH God) dwells in the Tabernacle (the tent) or household of the physical bodies of believers. There will never again be a physical Temple of stone and wood, as there was during the days of the Old and the Moses developed animal slaughtering (food) payment for infractions of the law system.

An important thought to remember, that it is also very likely that many who are reading this document could also be a physical descendant of the Family of Israel. If you are an Adamic Caucasian (of the white Adamic race) of Western European, Scandinavian, or British descent, and you and your family adheres to the Christian faith, you are most likely to be of Israel. You may even be a blood Israelite, but your Christian belief is false. True Israelites of all the (12) tribes are now fully dispersed among all the nations of the globe, and the people today number in the hundreds of millions. Truly, Israel is 'a nation among all the Nations.' If you are not a

physical descendant of Israel, but want to join yourself to the "house-hold" of Israel, read Isaiah 56, and follow what YHWH told Isaiah to record. You must become a believer in Yahwism. See also Exodus 12: 43-49, and you must begin keeping the Covenant to be a "true" Israelite, Deut. 5:2-22. Some (non-Israelites) are "strangers" that can also become True Israelites following the promises to them as found in Isaiah 56. The sons of the stranger, or the stranger "that join themselves to YHWH" can be from any branch of the Adamic race of people, and by doing so also become "True Israelites."

The Jewish State of Israel and the right of Jews to live in Palestine are not based on the hypothetical physical origins of the Jewish people because most are not of (Jacob/Israel. Judaism is not based on the covenant of Abraham with Yahweh (God). The right of the Jewish State called Israel to exist in Palestine is based only on international law -- i.e., on the United Nations' decision in 1947 to partition Palestine, previously a Turkish controlled province, then a British Mandated Territory, into an Arab/Palestinian and a Jewish State. This world (U.N.) action displaced the then inhabitants of Palestine, the Palestinian's, and gave a large portion of the land they were dwelling in to the new people group called Jews (i.e. Khazar-Turks) who have no historical claim to the land, except that it was at one time under the control of the Turks, as it had been under the control of many other people groups thousands of years before.

The word Palestine is synonymous with the Scriptural word Philistia, of the historical people living in this land before Israel captured it under Joshua in around 1440 BCE, who were mostly Philistines, (people of Philistia). A Palestinian is a resident or inhabitant of Palestine (Philistia). Only the current Palestinians have a physical claim to the land of Palestine. As a people, they bear the name of their historic land. Modern Jews have no historical physical claim to the land what-so-ever, and did not exist as a religious group until about 1000 CE. True Israelites no longer have an historical claim to the land either, since 'True Israel' will never to return to Palestine, and will always remain dispersed among the Nations. True Israel has become the un-numerable (hundreds of millions) of descendants of Abraham, and a Nation (within the Nations of the globe) that was promised to Abraham by Yahweh.

Even today, the people who call themselves Jews only number about [13 million worldwide](#). True Israel, however, cannot be numbered as promised by Yahweh to Abraham!
