

Who am I? My name is John-William. I manage/own the “Assembly of Yahweh, Cascade, website” (aka AOYcascade.com), and the OnlySavior.com website. I am a Yahwist, a believer of the original Biblical-Israelite belief called Yahwism, or Israelism. I am the author of many of the documents on the Assembly site, but others have also contributed. We name the author of a document when we know the author, but we may not always agree with everything written in the document.

I am 77 years old and from early Childhood was thoroughly indoctrinated into traditional Christianity, the (I now believe) corrupted “Calvinism” brand. However, Five years prior to my retirement in 2000, I was able to participate in an extensive bi-weekly study in Bible Konie Greek all done under the full instructions of a retired College NT Greek Bible language professor we 6 men hired. The extensive study of the Biblical Greek language forced me to change most of my traditional early childhood Christian beliefs. I made a decision during my study that the Greek and Hebrew language from then on would determine my Doctrine. I had no clue that most of my Christian beliefs would succumb and fall into oblivion when the original Bible languages began to rule over, and then supersede translation, and traditional beliefs (or rather faith). The first to go was the “Trinity” doctrine; Jesus (Yahshua) is not G-d the son. He is (a) son of G-d like we can all become by being faithful to the will of Yahweh the Father. The holy spirit is not a person; holy spirit is the Divine Force and Essence of the Father who is non-physical. It is the “Life-Force Essence” of the Creator Father that comes to dwell in all those that accept Him. Human sacrifice for sin is the second traditional belief to go. Yahweh (God) of the Hebrew Bible does not need or want the sacrifice of dead animals, or food or human sacrifices.

I am very analytical in what I do and what I believe. What I present on our websites is the result of over 30+ years of comparative studies in the Hebrew and Greek language of the Bible. Due to the many Doctrinal errors discovered in the modern traditions of Christianity I (we) will not fit into what has become tradition “over” fact. We will stand only on Biblical fact (as we see them) but are always willing to change if proven incorrect through proper exegesis of either the Hebrew or the Greek language. The Biblical beliefs of the Assembly gleaned from the Hebrew Bible and the Greek writings are the subject of our websites. May Yahweh bless your search of what is presented here and on our websites and enlighten your way. The simple message of the Bible that Yahshua also used will set you free from the Christian “traditions” developed by men.

Shalom!
